

# Are you heading to the 14th Symposium on Precision Agriculture ?

Have you thought about how to get there?

Why not come on board a **FREE** bus trip  
(yes a long drive, but the company will be worth it!).

We'll travel from Adelaide along the Princes Hwy  
through the Wimmera/ Mallee before reaching our  
destination Albury in time for the September 2nd event.

Along the way, we will visit PA farmers and trials as  
part of the SPAA GRDC funded project.

## REGISTER YOUR INTEREST NOW!
